STAT

[Redacted]

It was a great pleasure to hear from you again after such a long time since the old Panama days. I am enclosing herewith some forms which your husband should fill out and send in to us. Upon receipt, we shall check around and see if any openings exist.

I hope everything has been going very well with you in all these years and that I shall have the pleasure of seeing you in not too long a time.

Very sincerely yours,

sgd & disp by ER 7/12/49
